

11th of February

Growing Degree Days

Remember our GDD academy 11th February with Glenn Kirby.

- What are Growing Degree days
- What can we measure with them?
- How to use them in your program
- How to use the Syngenta GDD Tool

Next sessions:

26th February Overtake herbicide With speaker Marcela Munoz and Caroline Carroll

11th March Spring recovery With speaker Marcela Munoz

Registration

Please register if you have not already done so

Turf Academy is completely free to attend. The sessions will consist of online events using the Zoom platform as the main channel. The Zoom app must be downloaded to attend academy sessions. In addition, the events will be broadcasted live on Facebook and will also be uploaded to our YouTube channel. In countries where Turf Rewards is launched greenkeepers can earn Turf Rewards points by attending. Each participant can earn 1 Turf Rewards point per session. **Participants who attend all four sessions will receive 5 turf points.** To receive turf points the participant must register for each event, and attend the event via Zoom.
