

PREPARE  
FOR  
WINTER.

# Welcome to Syngenta Nordics, Live events

24<sup>th</sup>  
September 14.00

8<sup>th</sup>  
October 14.00

22<sup>th</sup>  
October 14.00

Three sessions with lectures and discussions on how best to prepare your golf course for the winter.

Syngenta Nordics, Live is an online webinar series broadcasted live from Zoom and Facebook. The webinar is divided into three sessions, covering topics such as winter prepping, how to avoid grass damage and how to minimize disease. The topics are planned and assembled with the goal of achieving optimal preparedness for the coming autumn and winter period.

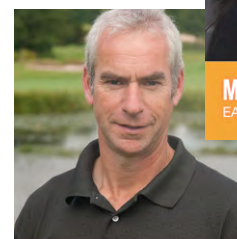

24<sup>th</sup>  
September **Benefits of Hicure and amino acids in turf**  
Marcela Munoz with guest speaker Veronica De Luca

8<sup>th</sup>  
October **Use of Ryder turf pigment in autumn programmes**
