

## **Full time Assistant Greenkeeper Oppegård Golf Club**

We are an exclusive 18 Hole members club situated 15km south from central Oslo.

Oppegård GK is a progressive club that is always looking for ways to improve and develop the course year after year.

Expanding our greenkeeping team is necessary to meet the demands and goals the golf club have set; therefore, we are looking to find the right person with the relevant skill set that improves our existing team.

The chosen candidate will work alongside the deputy in assisting the Head greenkeeper. You will report to the head greenkeeper and be expected to help lead, motivate and support our team of seasonal workers. It will be expected that you take on responsibility relevant to your skill set and show willingness to learn, educate and integrate into our team.

We Run a modern machine park and update it year after year with machines that suit our needs. We offer excellent working conditions with a large workshop and a continuing modernising of the work and staff facilities.

The Following criteria is required:

- Minimum of 4 to 5 years' Experience in the sportsturf/greenkeeping and horticulture industry.
- Relevant experience in leadership and staff management
- Relevant education in sports turf management/greenkeeping and horticulture
- Applicant must play Golf
- Ability to work well on your own and within an existing team
- To have a high work ethic and an eye for detail
- Norwegian or English language
- Willing to work Flexible hours with weekend shifts
- Ability to lead and motivate staff
- Take on responsibilities and leadership roles according to your skill set and education

We offer a competitive package and pleasant working environment within a tight well organised greenkeeping crew.

Applications as soon as possible with a CV and covering letter too
