

GREENKEEPER WANTED

Asker Golf Club - Greenkeeping Team

Start as soon as possible - employment initially until mid-November

Asker Golf Club is looking for an experienced greenkeeper to join our greenkeeping team.

We are looking for someone with experience from golf course maintenance, landscaping, construction, park maintenance or similar practical outdoor work. You must be able to work independently, take initiative and understand what needs to be done in the daily operation.

It is a plus if you have experience with, or interest in, basic maintenance and repairs of machinery and equipment. You will be part of a strong and dedicated team with a clear focus on quality, safety and a positive working environment.

We have a modern machinery fleet, 14 Husqvarna robotic mowers in operation, and a golf course that is in positive development.

Main tasks

- Mowing and maintenance of greens, tees, fairways and rough
- Bunker maintenance
- Maintenance of turf areas and playing surfaces
- Practical work and minor repairs on the course
- Daily follow-up of the course, machines and robotic mowers
- General greenkeeping tasks throughout the season

We are looking for someone who

- Has experience as a greenkeeper or from similar practical outdoor work
- Can work independently and make good decisions
- Is reliable, punctual and comfortable with early mornings
- Has a strong work ethic and enjoys physical work
- Contributes positively to a safe and good working environment
- Preferably has mechanical skills and can help with basic machine maintenance

Working hours

- Normal working hours are 06:00-14:00
- Earlier starts may occur when needed
- Overtime may occur
- Weekend work is part of a rotation, normally approximately every 4th weekend

We offer

- An exciting position at a golf course in development
- A safe and positive working environment
- A strong and dedicated greenkeeping team
- A modern machinery fleet and 14 Husqvarna robotic mowers
- Salary based on qualifications
- Membership at Asker Golf Club

Employment and application

Start date: As soon as possible.

Duration: Initially until mid-November, with the possibility of extension.

Interviews: Interviews will be held on an ongoing basis.

For more information: Contact Course Manager Søren Ørskov.

Application: Send your application to banesjef@askergolf.no and mark it Greenkeeper.

Would you like to be part of a strong team, a good machinery fleet, 14 Husqvarna robots and a golf course in development? Then do not hesitate to apply.
